Simplify your holiday prep!

Pre-order for Thanksgiving

Pre-order by Saturday, November 20.
Pick up Tuesday, November 23 or Wednesday, November 24.

Dinner Rolls

Sold in sets of six rolls. We can make any of your favorite Great Harvest bread flavors into rolls by request. That said, for Thanksgiving we recommend Virginia rolls, made from a mix of bread and potato to make them extra tender and fluffy. Virginia rolls are available in Farmhouse White and Whifty-Fifty (half-white, half-wheat).

6 for \$3.50

Turkey Bread

This show-stopping centerpiece will not only impress; it will also feed a crowd. We can make turkey-shaped bread out of most of our bread flavors (although we think it's already great in simple Honey Whole Wheat or Farmhouse White).

\$20

Cornbread \$1.05 (single serving) / \$6.85 (loaf)
Pleasantly moist and slightly crumbly, Great Harvest cornbread has the texture and the taste to please. Enjoy it for Thanksgiving or with a warm bowl of autumn chili or stew.

Pre-order at least 48 hours in advance.
Available November 27 thru December 4.

Challah
