## Hot Cross Buns

Traditionally eaten on Good Friday, these specialty buns are made from a rich dough spiced with cinnamon and nutmeg and then interlaced with dried fruit. A frosting cross caps each bun.

We suggest honoring the tradition of sharing a hot crossed bun with a friend or loved one. This gesture is said to ensure a lasting relationship:

"Half for you and half for me.  
Between us two, shall good will be."

Hot Cross Buns are sold in sets of six.

## Honey Bunny

Honey Bunnies are the perfect edible centerpiece! They are made from fresh-milled whole grains and sweetened with Iowa honey. We make every loaf by hand, from scratch, from real food ingredients: fresh milled whole wheat flour, water, yeast, honey, and salt. Wholesome and delicious!

We can also make Honey Bunnies in our classic Farmhouse White flavor.

We can also bake handcrafted rolls for your Easter dinner in any of our classic flavors.
